May 2019

# Don't miss out

Health Education England is offering you fully funded, modular training leading up to a Diploma in Clinical Pharmacy until March 2020.

# Take advantage of a fully funded Diploma in Clinical Pharmacy

*“Skill yourself up for the future and make the most of your clinical skills for the benefit of your patients.”*

# Flexible, modular training...

Participating Universities will guide you through the registration process and help you select the modules that are best for you. Choose from:

- [University of Manchester](#)
- [Keele University](#)
- [De Montfort University](#)
- [University of Exeter](#)
- [University of Bath](#)

# Little or no need to take time off work

Training is designed to fit in with your busy life.

With the majority of modules fully online, there's little or no need to travel or take time off work.

# Study at your own pace

You can complete CPD for revalidation, work towards a Postgraduate Certificate or build academic credits up to a Diploma.

# Act now to secure your place

Applications are open now at the [University of Manchester](#), [Keele University](#), [De Montfort University](#), the [University of Exeter](#) and the [University of Bath](#).

[Find out more about eligibility and how to apply on the Health Education England website.](#)
