Pre-registration scheme

Welcome to the 2018/19 pre-registration training year

Dear

I am pleased to confirm that your application to start pre-registration training has been processed, and you have been approved to start training. Your pre-registration training details are as follows:

- Pre-registration number:
(You will need to keep a note of this number, and quote it in any correspondence with the GPhC)
- Start Date
- Training Site

The details above are correct as of 9 July. If you have recently requested any changes to your application they will not be reflected in the information above.

If any of the details above are incorrect please contact us immediately by email at prereg@pharmacyregulation.org

In mid-August, you will receive a letter containing your Training Record and Payment Receipt, this will be sent to your main training site. All correspondence will be sent to this address until you apply to sit the registration assessment, at which time you can update it to a private address.

The Training Record will confirm the full details of your Pre-registration training placement(s), including the date that your GPhC recognised training starts. Please note, this is the date that you told us you intended to start your training. Upon receipt of this document, please check the details carefully and notify us within 7 days if the information does not match your training arrangements.

Our training manual is available via our website and contains important information surrounding the training scheme. It can be accessed here:

www.pharmacyregulation.org/preregmanual

Your pre-registration placement has been approved on the basis of you successfully completing your MPharm or OSPAP. Should your award be withheld, overturned or deemed to have not been completed it is your responsibility to inform us by e-mail to prereg@pharmacyregulation.org as a matter of urgency.

I wish you all the best with your training, and should you have further queries then please do not hesitate to contact us.

Kind regards

Head of Customer Services
